MACH

MACH is a community based mentoring program focused on promoting positive behavior, academic improvement, community service, and vocational skill development. MACH is a program of the Cordova Lancers, Leaders & Legends (CL3) and is made possible in part through funding received from the City of Rancho Cordova's Community Enhancement Fund.

HOW MACH WORKS

- Students identified by school staff, teachers, and CL3 program coordinator are invited to participate in MACH.

- Students are partnered with multiple mentors depending on needs.

- Student teams are formed to provide additional peer support.

- Students receive guidance and direction to help get them or keep them on a positive path at school and in life.

STUDENT IMPACT

- MACH participants gain self esteem.

- MACH participants improve attendance and grades while decreasing negative behaviors at school and in the community.

- MACH participants gain knowledge and skills.

- MACH participants gain community pride.

- MACH participants receive educational, school based, and social rewards based on their level of participation and engagement in the program.

COMMUNITY AND SCHOOL IMPACT

- MACH Participants provide volunteer support to community enhancement projects.

- MACH participants provide volunteer support to community events.

- Increase in student grades results in increased graduation rates.

- Increase in attendance results in increased state and federal funding for schools.

- Decrease in disciplinary issues results in improved learning environment for all students.
